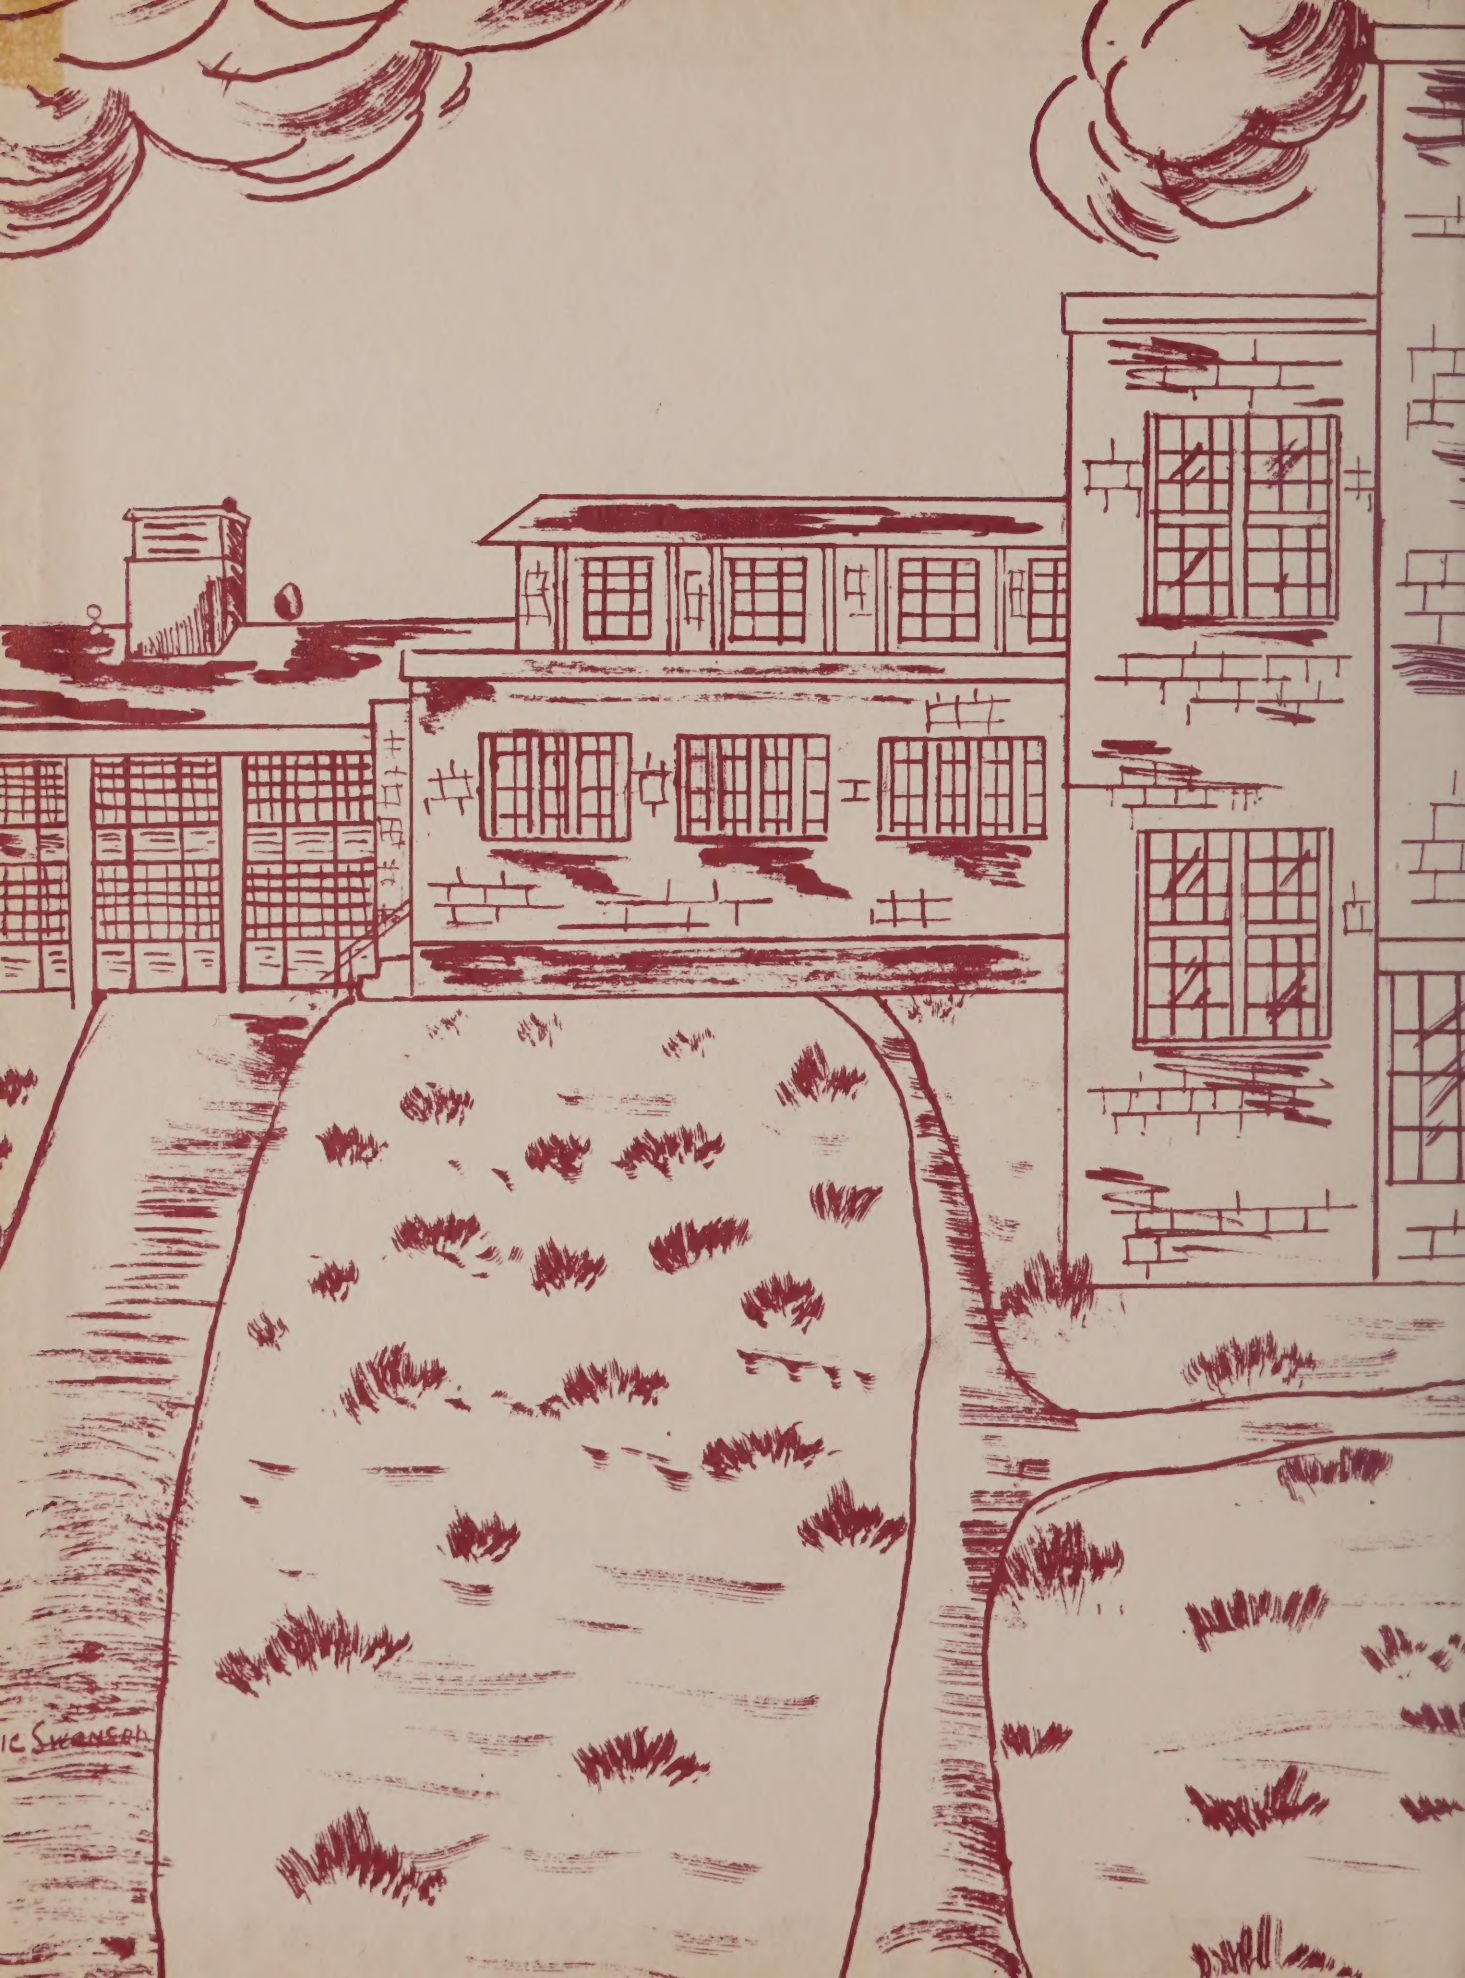
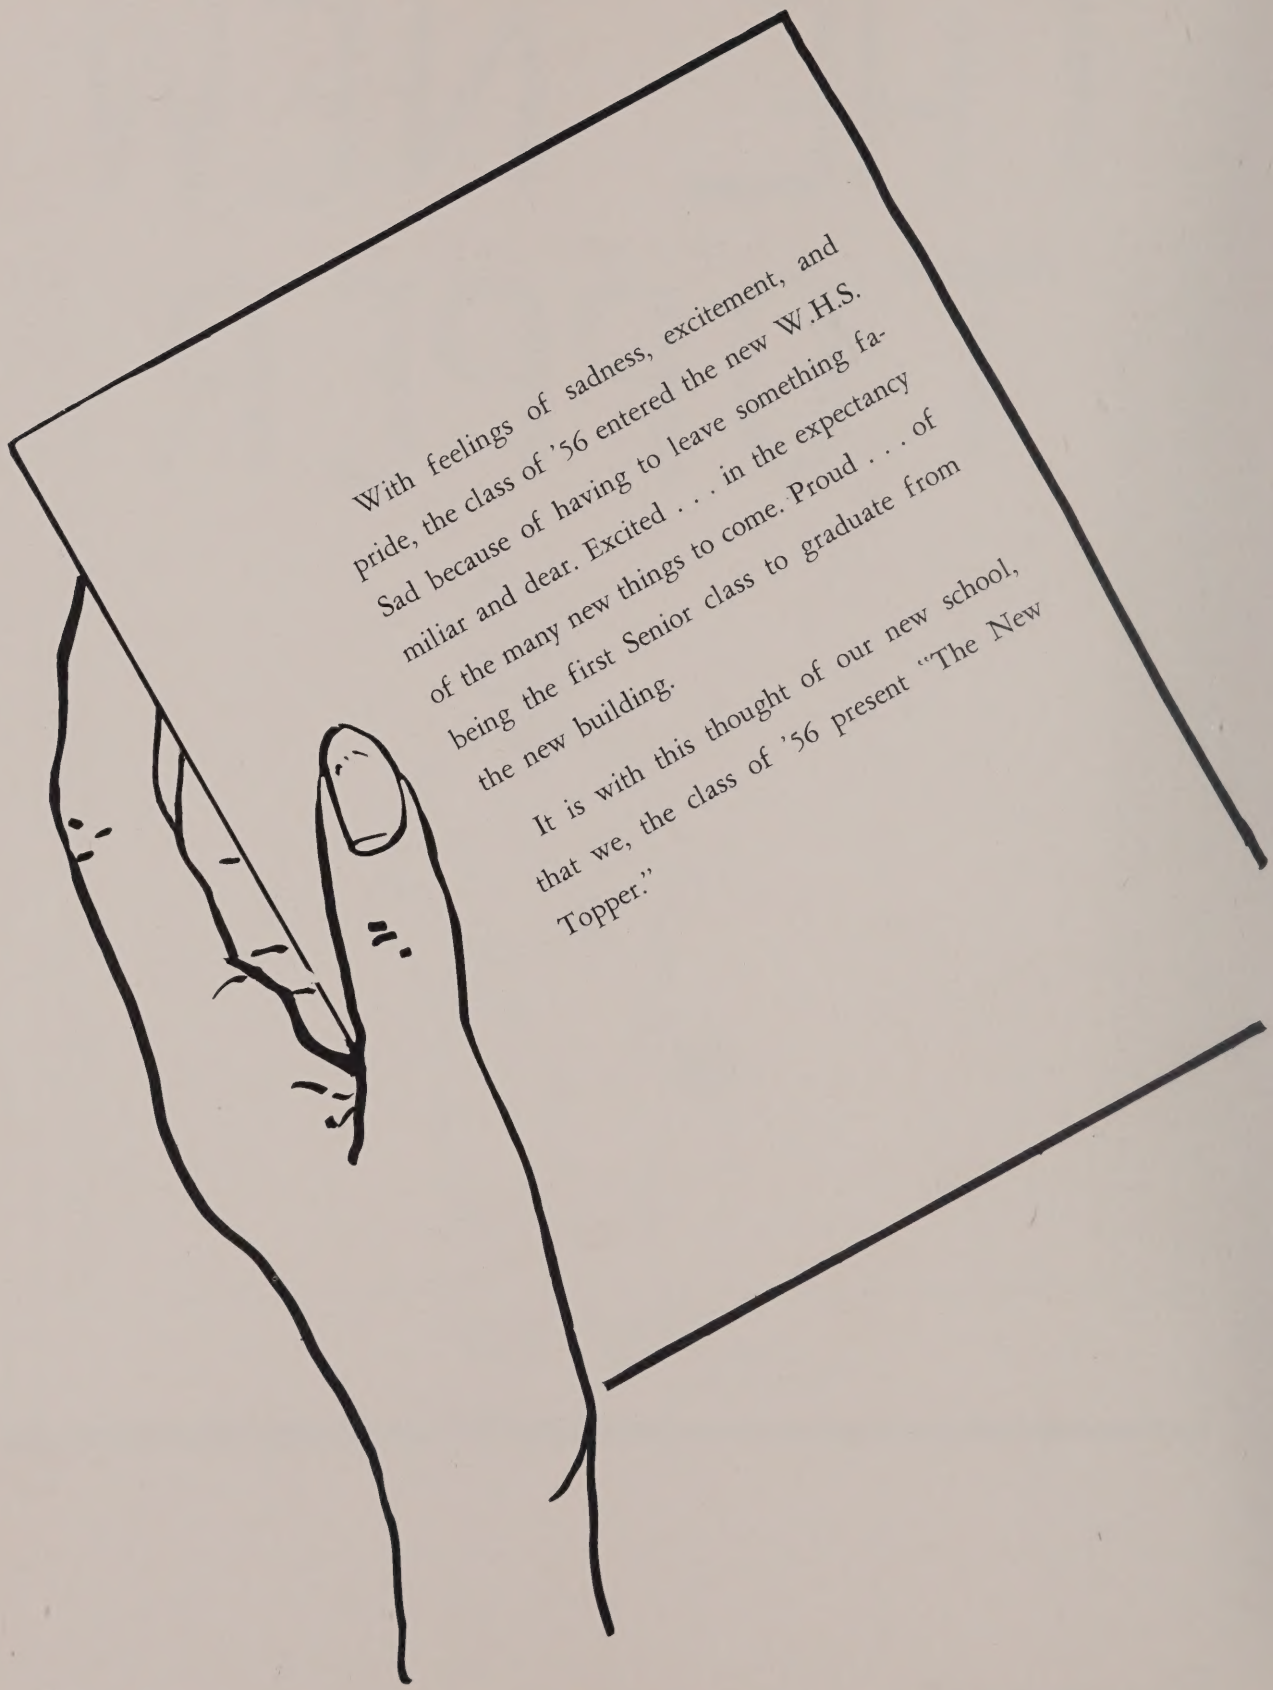
THE 1956 NEW TOPPER



WALPOLE HIGH SCHOOL

THE NEW TOPPER

Presented by
Class of '56



With feelings of sadness, excitement, and pride, the class of '56 entered the new W.H.S. Sad because of having to leave something familiar and dear. Excited . . . in the expectancy of the many new things to come. Proud . . . of being the first Senior class to graduate from the new building.

It is with this thought of our new school, that we, the class of '56 present "The New Topper."

Dedication

Because of her untiring aid to our class and to each one of us individually, we, the class of '56, are sincerely happy to dedicate our yearbook, "The New Topper" to Miss Louise Darmedy.

TO MR. JONES

Mr. Jones is retiring this year after 24 years of faithful service to our town as Superintendent of Schools. His efforts have been untiring, his administration firm, yet his consideration for others in all his contacts has endeared him to the hearts of all his friends. Best Wishes for many, many happy years ahead from the Class of 1956.

TO THE CLASS OF 1956

The future; what is it? What are my obligations to it? So live that today's labor will provide for tomorrow. We get out of this Life what we put into it. Work at the thing you really love; work hard at it. Then your services will be in demand.

Best wishes to each of you.

ACTIVITIES
P.A.M

Yearbook Staff

Left to right: Mary Jane Bliss, Advisor; John Gray, James Patton.

Front row, left to right: Helen Betro, Mary Jane Bliss, Carol Johnson. Back row: Maran Searson, James Patton, Joyce Kehoe, Ernest Mannocchio.

The Staff of the "New Topper" started its work in the spring of '55 and have progressed steadily throughout their senior year. Our sincere thanks are to be given to Mr. John Gray, our advisor, for his never-ending patience and understanding.

Left to right: Joyce Kehoe, Maren Searson, Judy Kirk.

Front row, left to right: Evelyn Walsh, Margie Butler, Pat Follet. Back row, left to right: Nancy Simonelli, Betti-Lou Baldwin, Lillian Meau, Sylvia Sulonen, Mary Silva.

Glee Club

GLEE CLUB

The Glee Club is one of the most popular organizations in the school, as can be seen by its number. Mr. Willey, the very able director, has made it so. Our class has contributed the singing talents of Connie Wirth, John Simeone, Wayne Parker, and Herbie Peterson, the accompanist.

This past year the Glee Club staged a most successful production of Victor Herbert's well known operetta, "Babes in Toyland." Another accomplishment was their recording of Christmas Carols which were played in the Town Hall throughout the Holiday Season.

Science Club

The Science Club is now in its fourth successful year. It has a membership of twenty-two. The officers are: David Mudgett, President; David Carlson, Vice President; Constance Wirth, Secretary; and Peter Carleton, Treasurer.

During the weekly meetings, held in the new laboratories, business is discussed and interesting programs are planned by the Program Committee and presented by the members. Other active committees are: Visitation, Publicity, and Science Fair.

The Science Club is planning to visit Kendall Mills, Hollingsworth and Vose Co., and the Science Museum.

In April, all of the members of the club will display projects in the annual Science Fair. The chosen boy or girl will be eligible to enter the Massachusetts State Science Fair.

Class Representatives

Left to right: Richard Light, Anna Ciarrocchi, Anna Lamperti, Mark Dalton, Kerrith King, John Simeone, Eleanor Fisher, Deborah Gould, Carol Sullivan, Helen Betro, Patricia Guardabascio. Third row: Jim Patton, Maren Season, Mary Jane Bliss, Judith Kirk, Ann Platt, Jean McGrath, Arleen Delaney. Last row: Francis Boragine, Duncan Cambell, Earnest Mannochio, James Langmead, Edward Dutczak.

Senior Class Advisor, Mr. Thomas Riley

Student Council

The Student Council, the legislative body of our high school, throughout each year carries out all business to promote the welfare of a better school.

The council is composed of a representative elected from each home room; this year the organization, under the supervision of Mr. Jordan, is headed by James Langmead. Other officers include Vice President, Mark Dalton; Secretary, Carol Sullivan; and Treasurer, Deborah Gould.

One of the projects under much discussion this year is that of having pupils as monitors before school in the morning and during lunch periods; any student violating a rule would then be brought before a governing board for further action. This project would develop a kind of Honor System in the high school.

The council took an active part in the success of a testimonial banquet for the retiring Superintendent of Walpole's Schools, Mr. Jones; Mr. Powers now succeeds him.

The members of the representative body also supervise the class elections and have the authority to vote for members of the Athletic Council.

Among other activities the Student Council sends delegates semi-annually to Conventions of the Eastern Division of Massachusetts Student Council.

Honorary Society

The basic requirements for membership in the Honorary Society are leadership, scholarship, and general good character. In addition to bestowing prestige on its members, the Society, with Miss Darmedy as advisor, sponsors dances and the proceeds go toward their annual trip to Boston.

OFFICERS

President ..... Richard Light
Vice President ..... Helen Betro
Secretary ..... Arleen Delaney
Treasurer ..... Alison Hill

Membership in the Honorary Society, a member of the National Honorary Society of the United States, is the highest attainment a pupil may reach in his high school career. A total of seven points, received from both scholastic and extracurricular activities is necessary for membership.

New members will be added in the spring to the present light member society.

Future Teachers of America

The officers of the Future Teachers of America for the past year were:

President ..... Nancy Hill
Vice President ..... Elaine Booth
Secretary ..... Helen Betro
Treasurer ..... Constance Wirth
Librarian ..... Jean McGrath
Song Leader ..... Robert Kallstrom
Parliamentarian ..... Francis Foley
Historian ..... Patricia Cobb

This group met twice a month under the capable guidance of Mrs. Bullock. They visited several classes in the town as well as some teachers' colleges. Upon occasion they were fortunate in having speakers talk to them about their chosen vocations.

Future Nurses of America

The Future Nurses of America Club got underway this year with the helpful guidance of Mrs. Bullock. The meetings held in the audio-visual room every first and third Thursday of the month, were very interesting.

At the first meeting of the F.N.A., the following officers were elected:

President ..... Mary Smith
Vice President ..... Maren Searson
Treasurer ..... Carol Mustonen
Secretary ..... Anna Ciarrocchi
Program Chairman ..... Arleen Delaney

During the course of the year, the members visited the various hospitals. The members of the F.N.A. made Christmas-gift boxes and distributed them to a few rest homes.

Dramatic Club

The Dramatic Club resumed with the election of the following officers:

President, Kerreth King; Vice President, Fred Lori; Secretary, Mavis O'Neill; Treasurer, Elaine Booth.

Under the supervision of Mr. James, the members selected, read, and performed plays and skits which were presented to the students and teachers during the Friday assemblies. Each member was given the chance to act in at least one of the plays during the course of the year.

The first successful play was a three-act comedy called "Hill-Billy Hi Jigs" put on in the month of February.

Athletic Council

First row, left to right: A. Hill, M. Dalton, A. Wisneski, M. Boragine, A. Delaney, D. King. Back row: R. Famiglietti, C. Sullivan, R. Cleveland, D. Campbell, R. Light, R. Landers, D. Gould, F. Foley, E. Dutczak.

The Athletic Council is composed of students representing each sport in Walpole High. The Council has the power to award any person a letter for the sport in which he has participated. The coaches of the different sports present a list of potential members to the Student Council, who choose people to represent each sport.

Traffic Squad

First row, left to right: C. Sullivan, E. Fischer, A. Lamperti, D. Gould, J. Maguire, P. Barrows. Back row: M. J. Bliss, M. Swenson, A. Ciarrocchi, J. Luippold, M. Butler, J. Kirk, J. McGrath.

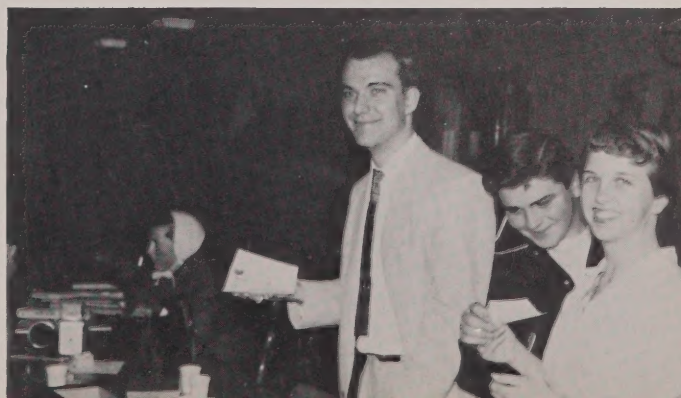
Book Review Club

Mrs. Heaps has started her first year in Walpole by forming a Book Review Club. Each week, three or four members give a review on a book that they have read. The meetings are very well run and Mrs. Heaps often has an interesting comment of her own to add to our reviews. The students giving the reviews also write up a review on composition paper and give it to Mrs. Heaps. When enough of these reviews are accumulated, Mrs. Heeps will select the best and mimeograph them in booklet form and distribute them throughout the school. For such a newly-formed club it runs very efficiently and has a large membership.

The Stylus

The Stylus had a very successful year under the editorship of Marian Whalen and James Langmead. Many seniors helped on this year's Stylus. They were the following: Jean Maguire, Nancy Hill, David Carlson, Anna Lamperti, and Lorraine Ferguson. Many underclassmen also aided the seniors. They were Mary Lou Ryan, Patty Blair, Patty Ryan, Marsha Clayton, Jean Taylor, Polly Goutal, Robert Kelly, and Kathy Dillon. Miss Kannally helped us on production. Miss Flynn acted as our advisor and she helped us in every way possible. Our Stylus advanced a great deal and we hope it will keep on growing until it reaches the top.

THE NEWS EVENTS OF 1956



W.H.S. Band

Our Walpole High Band has been now in existence for three years. In this short space of time, it has made an enormous amount of progress. Last fall it marched for the football games in conjunction with the peppy baton squad. They also have participated in three Memorial Day parades as well as several out-of-town functions.

Mr. Willy, our musical director, is to be congratulated for the fine group of musicians which he has produced.

The senior members of the band are: Jean Sherberg, Robert Kallstrom, and Herbert Peterson.

SPORTS

Baton Squad

This year marks the third anniversary of the Baton Squad of Walpole High School. In this short space of time they have brought much honor to the school. The majorettes, who are aptly led by Carol Mustonen and her assistants, Marie Alberico and Elaine Booth, have entered many competitions and won almost as many trophies. Their other duties consist of entertaining the spectators at football games and marching in parades.

Cheerleaders

Our cheerleaders of '56 have lived up to the reputation built by the cheerleaders of former days. As well as cheerleading for our various teams at games, they have partaken in cheering competitions only to return with the coveted trophy that signifies championship.

This peppy group consists of: Carol Sullivan, Captain; Arleen Delaney, Debbie Gould, Alie Hill, Brenda McMullin, Carol Peterson, Helen Hogan, and Mary Lou Lukis.

Football

Our football team for the 1955 season had a good record all things considered. They not only were coached by a new member of the teaching staff, Coach Jordan; but they also had their first fling at the unbalanced line. Some of the games that they lost were unusually close in score.

The team was ably led by co-captains Ed Dutczak and Jim Dumas. The seniors who are leaving their positions to the very able underclassmen are: Mario Boragine, Duncan Campbell, Ed Dutczak, Mark Dalton, Dick Cleveland, Thom McGrath, Charlie Light, Kerry King, Bob Famiglietti, Bob Landers, and Al Wisneski. The opening game of the 1955 football season with North Attleboro was cancelled because of the polio spell in early autumn.

WALPOLE 7 HOWE OF BILLERICA 0

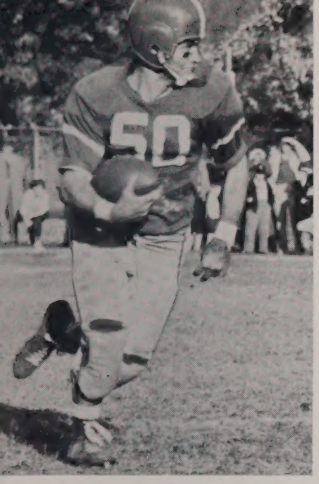
Most of the game was a scoreless battle between the two powerful lines. In the final quarter Ed Dutczak hit Richard Sullivan with a jump pass for a first down on Howe's 34-yard line then connected with Charlie Light for the touchdown.

WALPOLE 7 NEEDHAM 14

The next week the Hilltoppers rode to Needham. Walpole scored first with a long run by Sullivan. Ed Dutczak scored the point. Needham scored in the second period to tie the score.

WALPOLE 7 FOXBORO

Foxboro scored first in the first half. Walpole played a defensive game after they



scored. In the second half, Ed Dutczak threw a long pass to Charlie Light for a touchdown. Dutczak carried over for the point.

WALPOLE 0 MILFORD 6

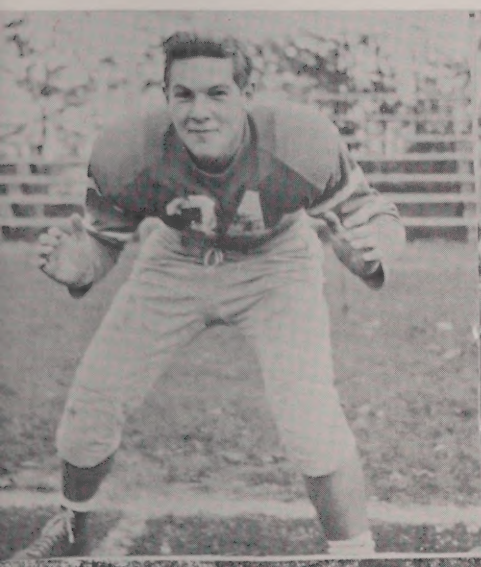
Both teams played a very hard game. Walpole had bad breaks and a lot of fumbles. Milford scored after Walpole fumbled on their five-yard line. This was a well played Turkey Day football game. (In the last minute of the game, the ball bounced off the shoulder of a Walpole player and into the arms of a Needham player who ran for a winning touchdown.) (This goes with Needham vs. Walpole.)

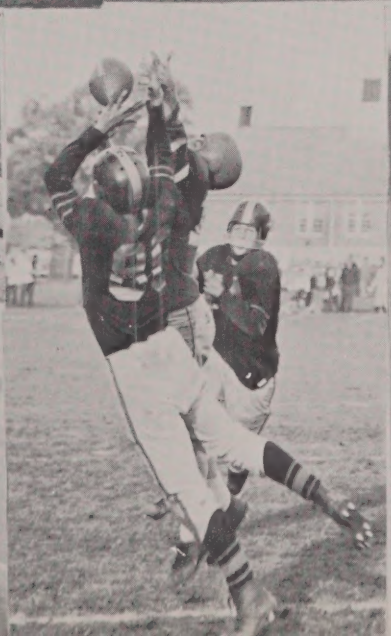
WALPOLE 0 CANTON 27

Canton played a good defensive game and Walpole had a few breaks. The game was played mostly on the mid-field strip.

WALPOLE 7 STOUGHTON 33

Stoughton had a powerful line and a magnificent backfield. Walpole played their hardest but just couldn't move the ball.





Field Hockey

For thirty-five years, field hockey has been a major sport at Walpole High. During this time the Walpole hockey girls have proved to be as successful as their hard hitting bladesmen who are former Bay State Champions and State Champions.

Under the direction of the petite Miss McBride, the girls have proved their winning ability. This is the first year that Miss McBride has coached at Walpole, stepping into the shoes of the famous Coach Wallace and Coach Leard.

This year the varsity won six and tied two. One of the games tied was against our annual rival, Newton, the other against Walnut Hill. The Junior Varsity has stepped ahead to win all of their games.

The backfield has certainly been the backbone of the team. However, without the agile girls in the line, a goal would never have been scored.

The spirit and the team work in this season's squad shall certainly be remembered by all the girls.

Ice Hockey

The squad—Top row, left to right: Mark Dalton, Wayne Manty, Billy McBride, Kenny Eklund, Archie Spraigue, Jack D'Entremont, Ronny Ober. Second row: Coach Jurgalevich, Dick Farrar, Dick Sullivan, Dick Upton, John Rooney, Billy Allen, Ronny Famiglietti. Front: Manager James Dumas, Eddy Dutczak, Dean Benson, Capt. Bob Famiglietti, Capt. Thom McGrath, Duncan Campbell, Jim Murray, Bruce Ellis, Manager Billy Brown.

The 1955-56 hockey team lead by our three veterans, Bob Famiglietti, Duncan Campbell and goal tender Thom McGrath, once again brought back to Walpole the Bay State Hockey Championship. The team, losing one and tying three games, had a great season.

With only three veterans returning to the squad, this left many positions for Coach Jurgelevich to fill. Thom McGrath, returning to the nets, shared co-captain honors with our speedy wing, Bob Famiglietti. Duncan Campbell, the other veteran, returned to take over the center position. Bruce Ellis and Ed Dutczak took over two hard-to-fill defense spots, and filled them well. Jim Murray completed the fast, fighting team.

The highlights of the season were: Walpole's 10-0 victory over Framingham, in which hard-skating Bob Famiglietti drove home five goals; and their 4-0 win over their traditional enemies, Needham.

The scores to the other games were:

Walpole	3	Waltham	2
Walpole	2	Wellesley	1
Walpole	3	Watertown	1
Walpole	0	Norwood	3
Walpole	2	B. C. High	2

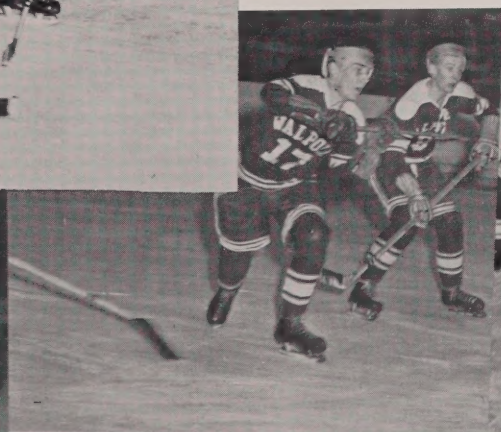
Walpole then went on to the Bay State League play-offs. The scores in those games:

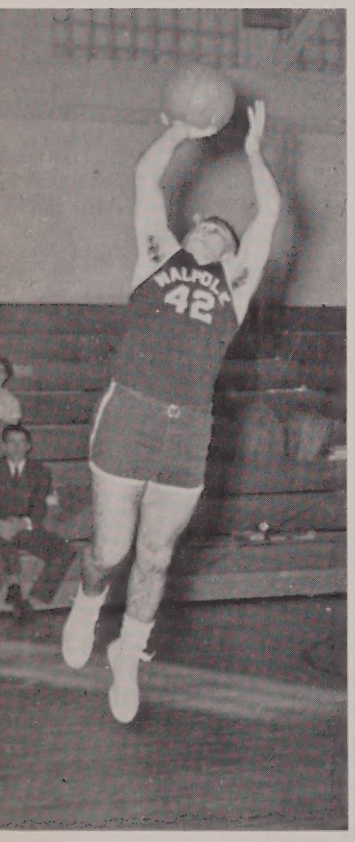
Walpole	1	Needham	1
Walpole	6	Wellesley	2
Walpole	1	Norwood	1
Walpole	5	Norwood	1

In the Norwood game, the deciding game of the playoffs, a goal by Captain Famiglietti in the next to last minute of play put Walpole ahead, but with only eight seconds to go a tricky screen shot managed to get past vigilent Captain Thom McGrath to tie it up. It was an entirely different story at the next meeting of the two deadlocked teams.

Walpole out-skated, out-shot, and out-fought their foes from the starting buzzer, swamping them 5-1 with only one unguarded moment spoiling another shut-out. Duncan Campbell had two beautiful goals, with Bob Famiglietti, Tony Sullivan, and Ed Dutczak racking up one apiece.

And so the wayward trophy returns again to its rightful owners. Once more Walpole reigns as undisputed ruler of the Bay State League.



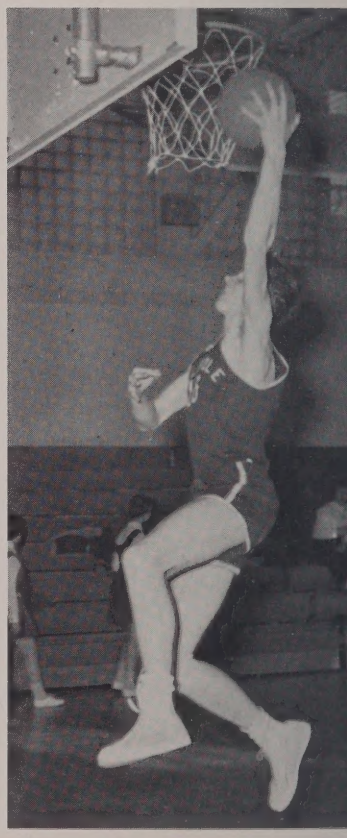


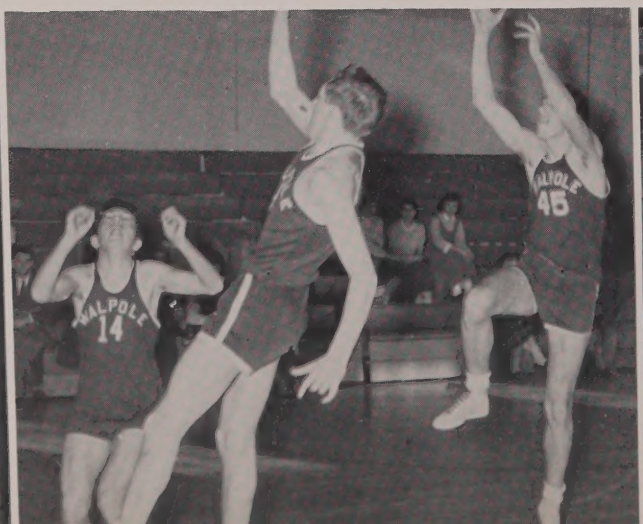
Basketball

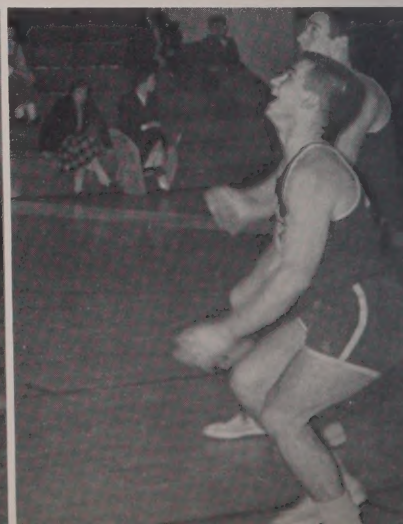
Walpole's "1956" basketball team played to the best of its ability, but unfortunately this season proved to be a very discouraging one. The "Hill-Toppers" failed to win a game but they showed good spirit and sportsmanship. The team was headed by a new coach, John Jordan, who did not have a very successful year, but we wish him the best of luck in future years.

The team lost a few very close games. Richard Light, the captain and a senior, was a big help and scored most of the points. Robert Landers, a six foot four inch senior, was another high scorer. Matty Iagatta played at guard and had a good eye for the basket.

The team was just too inexperienced to compete against the top-flight competition in the Bay State League.







Girls' Basketball

For the first time in its history, Walpole High has produced a Girls' Basketball team. The girls did very well considering the newness of the sport. Coach McBride can be proud of the fine teams which she has molded this past season.

The senior team captained by Helen Betro, consisted of Betty-Lou Baldwin, Patty Brooks, Eleanor Fischer, Judie Luippold, Carol Mustonen, Evelyn Walsh, and Sandra Vozella.

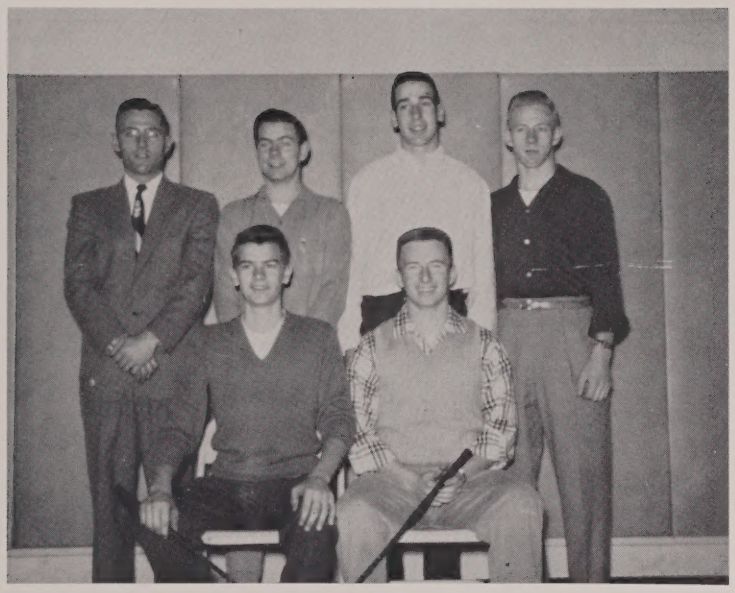
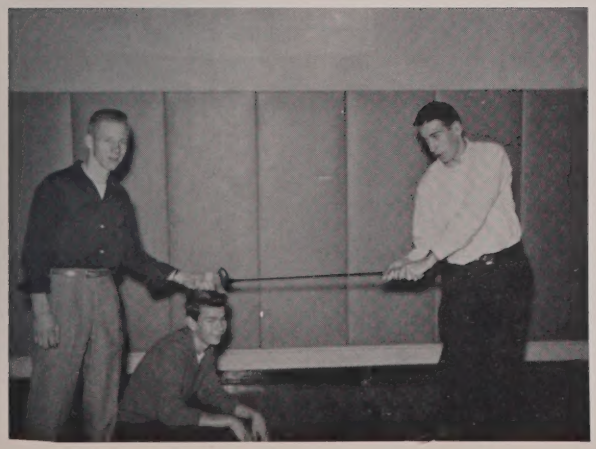
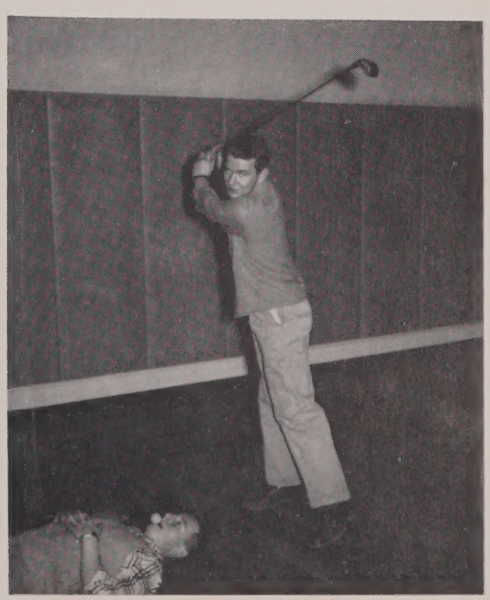
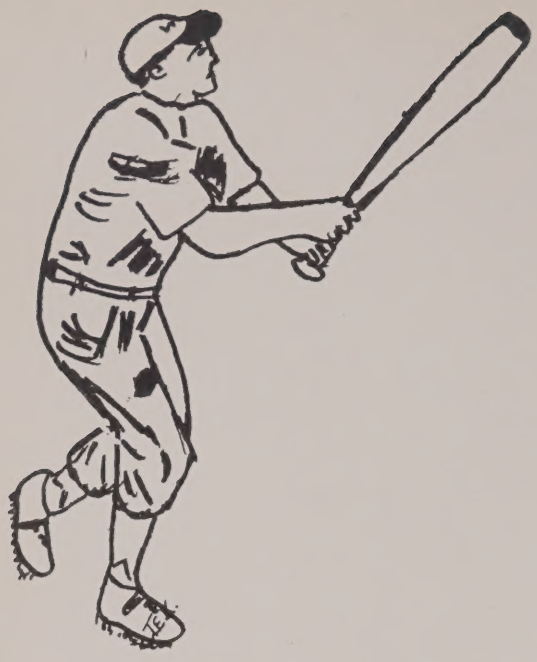
Golf



For the past six years the Walpole High School golf team has established a record unsurpassed by any other sport in the school. They have cupped the Norfolk League County Championship for six successive years. This year the team has a new coach, Chandler Phinney, and he has five returning lettermen: Richard Light, Francis Foley, Mark Dalton, Duncan Campbell, Roger Parsons and a few new promising comers. The school and the team wish Mr. Phinney the best of luck.





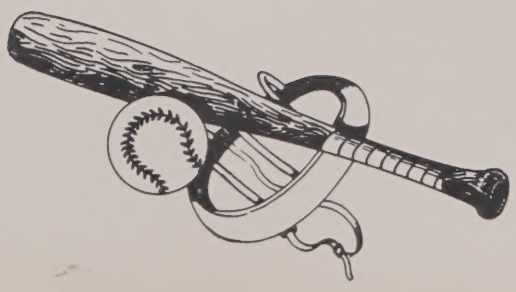


Baseball

Last year, Walpole High School's baseball team gave a good account of themselves in the Bay State League. This was Mr. Goodrich's final year as coach of the Hilltoppers. Lenny Ceglarski will fill his shoes very capably. Returning senior lettermen from last year are: Francis Boragine, Ed Dutczak, Bob Landers, and Al Wisneski. The fate of this year's team lies in the hands of the juniors who will fill the positions vacated by those who graduated. The returning juniors are: Jack D'Entremont, Tom Riley, and Tony Sullivan. Last year's team played very well but tired in the final games. All the boys are eagerly looking forward to play under Coach Ceglarski. This year, Walpole will certainly give every team a run for their money in its quest of the championship.

Softball

There are only two seniors returning to the softball squad this spring, but with the help of the Sophomores and the Juniors who were on the squad last year, we hope to keep up our fifteen game winning streak. The returning Seniors are Alie Hill and Carol Sullivan. Miss McBride will be coaching us this year and she will surely continue the successful record of Miss Leard.



Track

Top row, left to right: Franny Foley, Dick Farrel, Mark Dalton. Second row: Tony Marolda, Ken Ekland, Larry Silvestri, Robert O'Neil, Al Lovejoy, Duncan Campbell, Bruce Ellis. Third row: Ed Dutczak, Jack D'Entremont, Billy McBride, Dave Hutchins, Buzzy Jennings, Jimmy Dumas, Tony Sullivan. Bottom row: Coach John Gray, Al Wisneski, Leo Chambers, Kerry King, Dick Cleveland, Mario Boragine, Robert Landers.

This year's track team is made up of a fleet of returning veterans plus a newcomer from North Quincy High School.

Bob "Bo" Kennedy, the newcomer, is going to be a great spark in filling the shoes of star shot putter, Leo Downey. "Bo's" experience at indoor meets in Boston plus outdoor experience at spring meets should provide an abundance of needed points this season.

Hard workers such as Peter Carleton in the 880-yard run, Bert Ellis and Joel Fuller in the 440-yard run, Bob Landers in the 220-yard dash and broad jump, and Leo Chambers in the high jump should help Walpole better last year's record of 4 wins and 4 defeats as the team enters the Bay State League for the first time in 13 years.

Dick Cleveland, ace half miler, and broad jumper, returns for his third year. Dick was the second highest point getter on last year's team. This year, Dick will challenge Jim Gowing's school record of 2:01.8 minutes for the 880-yard run. Finishing fifth in the State Championships last year, Dick had a personal best record of 2:04.1 minutes for the ½ mile run. Rating with Dick, but in the 440-yard run, is Kerry King. Kerry had a personal best of seconds for his short jaunt and took fifth place in the State Championships last year. Kerry also threatens to break a school record. These latter two boys will definitely be of great help to the team due to their experience in both indoor and outdoor running.

Chief broad jumper, Bob Landers, will pile many needed points into the record book as his lengthy strides will give him many firsts and seconds in the broad jump and 220.

Lack of a good miler is the only abutment in the way of the climb to success of this year's well balanced team.

TO WAL-POLE HIGH WE SAY A-DIEU THE SCHOOL WE KNOW SO

WELL. FOR US WHAT HAR-VESTS IT WILL REAP IS YET TOO HARD TO

TELL.. BUT AS WE TRA-VEL DOWN LIFE'S ROAD WE'LL WALK WITH MEASURED

STRIDE, AND LOOKING BACK TO HIGH SCHOOL DAYS THEY'LL BE RE-CALLED WITH PRIDE.

TO WAL-POLE HIGH UP-ON THE HILL, THE SCHOOL WE KNOW SO WELL.

THE TREAS-URES IT HAS GIV-EN US ONLY TIME WILL TELL.

Class History

September 3, 1952 was that most important date for the Walpole High School class of '56, for it was then that we entered into our high school careers. We felt pretty big until we saw those self-assured seniors. We were soon feeling almost as assured as they, as we found our way around the building.

We settled down to study until September 20. This was the date of the Freshman Dance, which was our first social time of high school, given by the seniors. Everyone had a grand time what with dancing, eating, and watching the seniors' performances.

After this, we continued the everyday business of school with assemblies mixed in. At these, we found that we had the honor of sitting in the balcony.

At the beginning of '53, everyone started buzzing about class elections. Nomination papers were passed around and we were busy signing our John Hancocks. Our leaders for that year turned out to be Eddie Dutczak, President; Peter Dalton, Vice President; Helen Betro, Secretary; and Richard Light, Treasurer.

Sports played an important part in our first year as hill-toppers. We were well represented in all of them.

The climax was on March 9 when our hockey team captured the State Championship. This really made us feel very proud of our high school.

Then we started to look forward to June and before we knew it, it was here. We had our class trip at Nantasket after which we said good-bye to many of our new-found friends of our never-to-be-forgotten freshman year at Walpole High.

SOPHOMORE YEAR

With the ringing of the school bell that fateful Wednesday after Labor Day in '53, returned the Class of '56 with renewed and evergrowing confidence.

This year saw the beginning of the tearing down of old familiar places. Despite the lack of our auditorium and cafeteria, we Sophomores progressed steadily upward on the ladder of educational success.

Our first official business of the year was to elect class officers. Edward Dutczak, President; Pete Dalton, Vice President; Mary Smith, Secretary; and Anna Lamperti, Treasurer.

The Field Hockey Team had quite a successful season but lost to powerful Hopedale and Newton teams. Our class was well represented in both the varsity and junior varsity teams.

Our next project was a week of magazine selling which followed a talk by Mr. Del Ober.

The Student Council put on their annual Halloween Dance which everyone enjoyed.

By this time we Sophomores felt quite at ease in our new position and were ready to put on our own dance. The glorious event was held on November 20, with "Music Time" as the theme. The hall was beautifully decorated with notes, instruments and song titles.

Early in January, the Cheerleaders competed at the South Eastern Mass. Cheering Competition in Wrentham. It was the first of its kind and Walpole was very proud to win first place in its division. Many of us hoped to be cheerleaders next year.

Also during the winter months, the Hockey Team soared to the Bay State Championships, but were beaten by Needham in a disputed 3-2 victory in the State Finals. Being runners-up in the state tourney, we represented our state at the New England tourney at Providence and lost in the second round. The sophomores were represented by Thom McGrath, Duncan Campbell, and Bob Famiglietti.

The softball and golf teams did very well in the spring and the latter was defeated by Lowell in the States.

Our baseball and track teams were not quite as fortunate, but worked hard and made a good showing. In each of these sports we were well represented and our classmates showed great potential ability. We ended the year with a wonderful trip to Nantasket. We all had a wonderful time and most of us were well burned.

JUNIOR YEAR

Our summer vacation passed quickly and soon it was September again. This year we were upperclassmen and we were still enjoying half days of school.

Our first official business was to elect homeroom representatives. Next came the class elections. There were many candidates running, so naturally there was much excitement. At last the election day came bringing with it the following results:

Mark Dalton, Richard Light, Anna Ciarrocchi, Anna Lamperti.

Soon an announcement came for us to sign up for the committees for our class dance. The committees worked busily for months bringing wonderful results. Instead of entering our familiar gym we found ourselves in "Chinatown."

The next excitement was the Class Ring Committee which picked ring samples for us to choose from. At last we voted for our favorite style and sent in our orders.

Friday, May 13, was certainly not unlucky for the class of '56. Our class rings finally arrived.

Every junior was soon proudly wearing his or her ring and displaying it to anyone who seemed the least bit interested.

That evening the girls, dressed in beautiful evening dresses and the boys in their tuxes with plaid cumberbunds and ties, arrived at Blackburn for our prom, "Moonlight and Roses." It was certainly worth

all the work, for everyone had a wonderful time. It seemed that we had hardly arrived when we lined up for the Grand March, then dancing the last dance. Afterwards, most of us went to the King Philip where we enjoyed a turkey dinner and more dancing.

Our class trip was to Nantasket Beach where we all had a swell time.

Before we realized it our junior year had come to an end leaving many pleasant memories with us and anticipation for our senior year.

SENIOR YEAR

During the summer the new Walpole Senior High was completed, and on September 99, 1955, we began our final year in a new school. The excitement of the beautiful building finally quieted as the first bell of the senior year rang to remind us of the fact that the year had really begun.

The rotating system was devised this year to give us a change in the daily program. There were mixed feelings about this, but on the whole it was proven successful.

The choosing of home room representatives was the year's first business, soon followed by the election of the following class officers:

President, Mark Dalton
Vice President, Richard Light
Secretary, Anna Ciarrocchi
Treasurer, Anna Lamperti

It wasn't long before the taking of class pictures was the major topic of discussion and the date was finally set for a photographer from Purdy's to come to our school. Our new audio-visual room became a temporary studio. The majority of the pictures arrived before the Christmas vacation.

Throughout the year many committees have worked busily preparing the "Mirror" of our past, the year book.

As the year draws to a close, Class Night and graduation plans will be completed. It is with mixed emotions that we look forward to these traditional events that will conclude our four years at high school.

With the help of our wonderful teachers who guided us so ably during these years at Walpole High School, and through our gains and losses here, we have come to form a closely knit group.

We are sad indeed to say goodby to our school, teachers, and friends, but we will graduate facing the future with great confidence.

PROPHECY

Class Prophecy

ANNOUNCER: Scene opens in one of John Simeone's barbecued chicken stands. John, whose success hasn't changed him, is sweeping the floor, (singing). Ernest Mannocchio, traveling shoe salesman, pulls up outside in his car.

E.—Hey, sonny, get me a hamburger, I'M in a hurry —John! How are you I haven't seen you in a long time.

J.—Ernie! Gee, it's good to see you. What are you doing now?

E.—I'm a shoe salesman. I'm selling those new stretch shoes—here, try one on. (He, John, does so thus hurting his ankle.)

J.—Ow! What kind of shoes are these? Ouch!

E.—John! You're hurt! Who's a doctor I can call?

J.—Call Dr. Carlson. You remember him. He's just started his practice in town.

E.—(Picks up phone) Operator! Operator! Gee! They're slow! Hello!? Hello?! Who is this? Anna Lamperti!! I didn't know you were still working there. (Pause) Oh, you've been made Vice President in charge of loose wires? Well, will you get Dr. Carlson —quick! Someone's been hurt! . . . Hello? Doctor Carlson's office? Will you please send the doctor down to John Simeone's chicken stand? Someone's been hurt . . . Thank you. (Hangs up.)

(Dr. Carlson enters.)

D.—Hello Ernie! Good to see you again. What happened here?

E.—Well, it's about time! What took you so long?

D.—Well, my car hasn't been running well lately since my mechanic, Jim Kannally, overhauled it.—Hello, John, are you the patient? (Examines ankle.) A sprained ankle, huh? Well, you'll be all right, just stay off it for a while. (Stands up.) (Picks up copy of Walpole Times.) Here's something interesting. This paper looks almost readable since Mark Dalton took it over. Look at this first page, in color yet—"Tom McGrath, Dunc Campbell, Bob Famiglietti, and Bruce Ellis have sparked the Boston Bruins on to a glorious finish,"—and here "Matty Iagatta, Mario Boragine, Al Wisneski, and Ed Dutczak, playing football for the Walpole Wildcats," have so far beaten Notre Dame, U.C.L.A., Army, and Norfolk." Horrors! I thought they were unbeatable!

E.—Who? Notre Dame?

D.—No, Norfolk.

J.—And look here under marriage intentions: "Ronnie Trenouth and Paula Doiron, Carol Sundquist and Ray,

Elaine Follis and Eddie Duquette, Judy Piper and Junie Duquette." How about that?

E.—Here's some good news—Sandie Dickson has taken first place in the figure skating in the Olympics.

D.—Oh, did you know that John Savasta, secret service agent, was successful in breaking up a ring of fanatical democrats, led by an anonymous ex-history teacher, who were planning to assassinate the Republican nominee for president, James Langmead?

J.—Hey, get this! "Sergeant Julio Giusti apprehended those two notorious gangsters, John "Trigger" Barry and Dave "Fingers" Mudgett, who pulled one of the most sensational robberies since the Brink's job." I hear that they planned it in History Class back in high school.

E.—Say, look at this picture of Sandie Vozella, recently chosen Miss Bay State of 1965, taken by that ace photographer Paul Bruneau.

E.—Did you hear of the Indian War in Norfolk? I understand that Jane Neil, Nancy Aliberti, and Pat Guardabascio are busy taking care of the veterans.

J.—Yah! Is it true what I heard about Eric Lind, Larry Bassignani, and Jim Murray leading a charge against Dick Bigelow and his band of rebels on Mann's Pond?

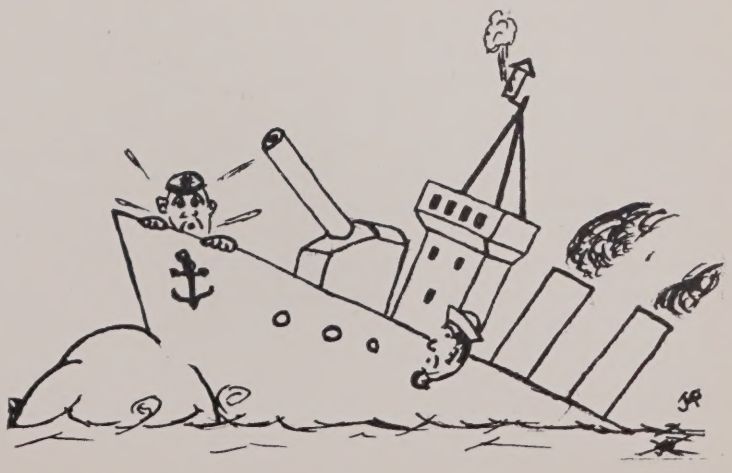
D.—Yes, one of the rebels, Ray DeBraie, got hit by a flying drive shaft. He was a bloody case! Some of the nurses that assisted me in carrying away the twisted carcasses were Mary Ann Dacey and her crew, Mary Jane Whelpley, Sheila Delaney, and Marilyn Callahan. Lois Walsh was a great help with her portable X-ray machine in removing the pieces of shrapnel.

E.—Speaking of gruesome sights, did you hear about Admiral Patton's running the battleship Missouri aground in the Neponset River? It seems that he and his first mate, Kilburn Fulton, were playing poker in the ward room. Ray Santosuosso, whom he left at the wheel, was watching a parade of Waves on the opposite shore. The only one seriously injured was Andrew Lamonica in the engine room, who caught his nose in the ventilating fan. Navy nurse, Maran Searson, was right on the ball though. Seeing that either the fan or his nose had to go, she promptly proceeded to amputate. Mary Smith, due to careful thinking, saved it for a paper weight on Jean Maguire's desk. You know Dave, she is the new private secretary to the Secretary of the Navy.

J.—While we're talking about armed forces, did you know that the noted fashion designers Marie Alberico and Ellie Fischer turned their hand to the aeronautical field and designed a new plane? After several test pilots were lost, Joe Cafferky, Frank Kissel, and Roger Parsons; ace jet mechanic, Eddie Watson, discovered the trouble. There were no wings.

D.—Oh! The old class is dying off. Must make a lot of business for Hutchins and Drake, the morticians.

J.—You know I'm not the only one who's done well in the business world. Nancy and Alie Hill have taken over where their fathers left off; they've expanded the business quite a bit and they have a large secretarial staff—Roz Needle, Viv Plimpton, and Ann Platt. Their research engineers, Dick Beaudette, Phil Sanford, Winslow Whittier, Anthony Simonelli, and Robert Versackas, have recently come up with the revolutionary idea that wood someday may possibly replace uranium for heating our homes.



D.—Impossible! These upstart scientists and their radical ideas! If uranium was good enough for Einstein, it's good enough for me.

E.—I hear that Gloria Meomartino, Priscilla Michetti, and Patt Follett have started a new Beauty Shop. Some of their steadiest customers are Bette Lou Baldwin, Ann Kudirka, and Buzzy Jennings.

J.—Speaking of prosperous business, Judy Kirk's nation-wide advertising campaign has popularized Helen Betro and Dick Cleveland's scheme that for every gallon of oil bought from Cleveland's Oil Co. the customer receives a free aspirin from Betro's Pharmacy.

D.—By the way, John Barnes opened the Old Elite Theater for that new fad, Vaudeville. Some of the acts that have appeared are "The Silva Sisters—Song and dance and snappy patter" and "Catalina Carleton and her exotic dancer." Lillian Meau is her assistant. She inflates the balloons. Charlie Swanson also puts on a muscle act. He lifts by his eyebrows his two assistants, Dick Rafuse and Sylvia Sulonen.

J.—Oh Ya! Normie Cherella works as lighting technician and Mary Marinelli as costume designer. Jean Egner, Lorraine Ferguson, and Gretchen Field are the ticket sellers.

E.—Say, do you fellows watch that new T.V. show "Bum for a Day" with Kerry King as Master of Ceremonies? Last week Arleen Delaney, Carol Sullivan, and Debbie Gould went on and won the grand prize, a year's supply of Mas Swenson's Cosmetics, and a certificate arranged by Priscilla Mackenzie's travel agency, which enables them to hitchhike on any one of Jean McGrath's fleet of trucks. Their hobo costumes were designed by the eminent designers, Carol Mustonen, and Nancy Simonelli.

D.—No, I prefer the educational programs. Last week I watched the panel show, "Listen to the Gab," with Pete Nixon as Moderator. Some loyal alumnae of old W.H.S.; Deanna Ostrom, Patty Brooks, Evelyn Walsh, and Glenda Knowles discussed the critical situation in lower Slabovia.

J.—Say, look at this! "For the past two days forest rangers Dave Pasquantonio and Melvin Littlefield have been valiantly fighting a raging jungle fire which threatens to wipe out M. J. Bliss and Joyce Kehoe's missionary school in East Pango-Pango. The blaze was accidentally started by a group of basketball scouts headed by Charlie Light and Lefty Landers, who have been scouting the native tribes for potential hoop stars. The only good that came of the expedition was that they found the lost safari which disappeared years ago while furthering the search for eligible males. The expedition consisted of Lolita Bechunas, Eleanor Cashen, Janice White, Phyllis Readel, and Jean Sherberg under the able leadership of Ginny Dale. They are now being flown back to the states by Dean Beason's air transport service and being cared for en route by registered nurses Mary Smith and Anna Ciarrocchi. They will be greeted at the airport by the noted actresses Julianna Blake and Marjorie Butler! How about that!

E.—I've been out on the road so long, how is the old school?

D.—Well, one thing's for sure, they're being well

prepared by Connie Wirth, Judy Luippold, and Carol Johnson's kindergarten school.

J.—Do you know that Jim Whitehead is taking a P.G. in Sandbox? He flunked it as a kid you know.

E.—What about the High School, has anything changed up there?

J.—Oh, they've got a whole new staff of teachers. Jim Connare and Fran Foley are on the English Staff, Patty Barrows is teaching Math, and Robert Kallstrom is the new music instructor. Oh Yes, the old bus line has been taken over by Dickie Hurd.

D.—Oh, John, you forgot the new physical Ed. teacher, Marie Johnstone. Boy, she sure snaps those football players into shape!

E.—My, the time has really gone by fast. I've got a lot more calls to make so I really must go.

J. and D.—Bye, Ernie.

D.—I must be going, too, John. See a man about a fractured skull.

And so we leave John, sweeping the floor and merrily singing as before.

A RECIPE FOR ACHIEVEMENT

STEP 1.

Take one group of bright young students.

STEP 2.

Add a staff of devoted teachers.

STEP 3.

Blend together.

STEP 4.

Spice with social life and athletics.

STEP 5.

Let simmer for four years.

Remove from school by graduation. Serves the world.

Walpole High School has been using this recipe for many years with great success. We can recommend the results. The Class of 1956 has turned out especially well.
